Part I, Line 2:

During the 6/30/2017 short tax year, the Organization made a grant of goods in kind to Cross Catholic Outreach, Inc. ("CCO"), an affiliated nonprofit organization which operates under common management with the Organization but is not related to the Organization for Form 990 reporting purposes. The granted goods in kind were originally donated to the Organization in late 2016, and were received and inventoried by the Organization in 2016. During the 6/30/2017 short tax year, the Organization's management made a strategic decision to grant the goods in kind to CCO based on the belief

Part IV Supplemental Information

that CCO was better equipped to distribute the goods in kind to various geographic areas in which the goods in kind were needed most.

Further, during the 6/30/17 short tax year, the management of the Organization made a decision to provide support to the operations of Cross TV, an unrelated nonprofit organization with a similar exempt purpose, by forgiving an amount receivable from Cross TV of \$648,487. The amount forgiven has been classified as a non-cash grant from the Organization to Cross TV for Form 990 purposes. Due to the nonrecurring nature of this transaction, no additional monitoring is deemed necessary.

Form 990, Part I, Line 1, Description of Organization Mission:

Cross International cost-effectively serves in Africa, East Asia, Latin America and the Caribbean, providing aid to meet the needs of the poor. The organization provides both material resources (food, medicine, etc.) and cash grants for medical treatment, education, nutrition, shelter, water projects, self-help programs, and care for orphaned and vulnerable children. Cross also engages in relief and recovery efforts in response to disasters such as earthquakes, floods and typhoons. From January to June 2017, Cross International distributed aid in 17 countries.

Form 990, Part III, Line 1, Description of Organization Mission:

Cross International channels resources such as food, medicines and educational materials to the poor through a network of Christian churches and ministries already in place within impoverished communities. In this way, Cross International can cost-effectively help the poor while empowering the evangelical outreaches of the Christian leaders it assists. Cross also gives these overseas churches and ministries financial grants to access local resources, which in turn helps local economies.

Form 990, Part III, Line 4a, Program Service Accomplishments:

Cross International medical aid focused on needs in five countries in January - June 2017 - Afghanistan, El Salvador, Guatemala, Haiti and Vietnam. This outreach has had a wide-ranging impact. For example,

Cross shipped medical goods to Guatemalan ministry partner Friends for

Health and Life for distribution among free community medical clinics as well as hospitals that use these needed medicines to treat the poor. In another case, Cross funded fully-stocked medicine cabinets for churches in Vietnam so that trained "lay pharmacists" could provide basic medical aid to low-income people in need of care. Ministry partners such as these rely on Cross donations to keep their medicine shelves stocked, their equipment up-to-date and their professional staff employed. By equipping hospitals, clinics, home healthcare and medical outreach programs with resources necessary to provide services to their communities, Cross helps thousands of families who would otherwise go without quality medical care.

Form 990, Part III, Line 4b, Program Service Accomplishments:

Fighting malnutrition is a priority for Cross International. In keeping with this mission, the organization gave monetary or material aid to feeding programs in eight countries including the Dominican Republic, El Salvador, Ghana, Guatemala, Guyana, Haiti, Nicaragua, and Peru. Many food shipments were specifically earmarked for distribution to children, who are vulnerable to long-term developmental effects from chronic malnutrition. One of the best ways to get food into the mouths of the hungry has been to partner with schools in developing countries. This strategy has successfully decreased malnutrition rates in the targeted communities while also improving school performance among the children who are fed. A large percentage of Cross International's nutritional aid was sent in the form of "Vitafood" - prepackaged, nutrient-rich meals that are easy to cook and serve and are scientifically developed to meet the needs of malnourished children.

Form 990, Part III, Line 4c, Program Service Accomplishments:

Cross International embarked on a major effort to aid victims of Hurricane Matthew, which devastated large sections of Haiti. Our disaster response team worked alongside local ministry partners to repair damaged structures and make sure families' basic needs for food and medicines were being met. With Cross' help, rubble was cleared, shelters were built, and victims received strategic food and medical supplies. Our support included cash grants as well as goods-in-kind donations such as construction materials, first aid kits, rehydration salt packs and nutrient-enriched rice meals.

Form 990, Part III, Line 4d, Other Program Services:

4d Additional Program Services - Education

Cross International provided education support in four countries:

Ecuador, Haiti, Nicaragua and Peru. Although educational opportunities are technically offered by the governments in many developing countries, the quality of those services is often substandard, and the education is not really free because the schools charge small fees which are too high for poor parents to pay. Government-run schools may also require students to purchase supplies and uniforms that many families cannot afford. As a result of these costs, dropout rates are enormous. To reverse this trend, Cross International partners with Christian schools and education outreaches that focus on meeting the needs of poor children who would otherwise be left behind. With Cross' support, these schools have provided a quality education at minimal or no cost to the students.

4d Additional Program Services - Orphans

Cross International responded to the needs of orphans and vulnerable children in nine countries - Bolivia, Dominican Republic, Ghana, Guatemala, Haiti, Mozambique, Nicaragua, Uganda and Zambia. Efforts in Haiti have brought nutritious food, safe shelter and a quality Christian education to children who would otherwise live in squalor. And in Zambia, a church-based ministry has identified at-risk children, many of whom have lost one or both parents, and provided them with the support they need to achieve a better future.

4d Additional Program Services - Water Projects

In January - June 2017, Cross International funded water projects in four countries: Haiti, Nicaragua, Vietnam and Zambia. For example, we partnered with the Kachere Development Program to install clean water wells in rural Zambian villages where children and families were suffering constant illness from drinking disease-infested water from hand-dug ditches. The results of such projects are dramatic. As clean water becomes more readily available, waterborne illnesses decrease and women no longer need to walk long distances to fetch small amounts of water from contaminated rivers. By establishing new sources of safe water that can serve communities for years to come, Cross International's projects are saving lives.

4d Additional Program Services - Housing

In January - June 2017, Cross International supported housing programs in three countries: Guatemala, Nicaragua and Vietnam. These efforts involved, for example, the funding of Rainbow Network, a Christian charity in Nicaragua that builds safe, durable houses for families who

would otherwise have to live in crude, dirt-floor shelters built from whatever scraps they can find.

4d Additional Program Services - Shipping

Cross International's shipping program uses monetary donations to transport and distribute donated goods which meet the exempt purpose of providing food, providing clothing, providing medicine, facilitating medical treatment, providing water, facilitating clean water, providing housing, facilitating housing development, facilitating self-help programs, facilitating education programs and/or addressing needs in a disaster relief and recovery situation. Through this approach, a donor's contribution can be multiplied ten times or more, as it places goods valued higher than the donation amount into the hands of the poor by the ministries serving them. Another benefit of shipping goods rather than sending funds is that Cross can provide crucial medicines and medical supplies that are not locally available physically or financially. This support keeps hospitals and clinics stocked with the needed resources so doctors do not have to turn away patients untreated. In January - June 2017, Cross shipped goods to churches and ministries in four countries: the Dominican Republic, El Salvador, Guatemala and Haiti.

4d Additional Program Services - General Support & Other

Cross International is uniquely positioned to help overseas ministries with their specific or unexpected needs. Cross' targeted responses enable ministry partners to obtain a specific resource quickly and effectively, allowing them to continue their work without disruption.

4d Additional Program Services - Mission Education

Cross International's overall mission includes educating Christians in the United States about the needs of the poor overseas and highlighting a biblical basis for responding to that poverty. This is important to the organization's goal of developing stronger relationships between the church in the U.S. and the church in the developing world. Cross achieved this goal by communicating directly to American Christians through Christian radio. The ministry's radio presentations were made to the public on radio stations throughout the country. Along with conventional radio, Cross International also educates through satellite radio, speakers, musical performances, events, over the Internet, mailed materials and other forms of communication.

4d Additional Program Services - Project Development

In order to ensure the proper use of donated funds and goods, Cross International regularly monitors and meets with overseas partners. The Vice President of Missions and a staff of field officers made regular visits to these ministries, reviewing requests for assistance, monitoring the use of previous gifts and providing professional assistance with accounting or project development issues. These project development services have helped Cross partners grow more effectively, provide a better outreach to the poor and maintain greater stability in the community.
